Ebury Publishing. Hardback. Book Condition: new. BRAND NEW, Red Sky at Night: The Book of Lost Country Wisdom, Jane Struthers, Ever wondered how to predict the weather just by looking at the sky? Or wanted to attract butterflies to your garden? Is there a knack to building the perfect bonfire? And how exactly do you race a ferret? In this world of traffic tailbacks, supermarket shopping and 24-hour internet access, it's easy to feel disconnected from the beauty and rhythms of the natural world. If you have ever gazed in awe at stars in the night's sky, tried to catch a perfect snowflake or longed for the comfort of a roaring log fire, then this is the book for you. From spotting Britain's five kinds of owl to gardening by the phases of the moon, and from curing a cold to brewing your own ale, "Red Sky at Night" is packed with instructions and lists, ancient customs and old wives tales, making it an indispensable guide to countryside lore.
