Page Street Publishing Co. Paperback. Book Condition: new. BRAND NEW, Prepare Your Family for Survival, Linda Loosli, Parents care about keeping their families safe, hydrated, fed, and healthy on a daily basis. Yet, every year families face unforeseen situations that threaten those necessities. It could be a natural disaster like a hurricane or blizzard, or a man-made emergency situation like a power outage or food shortage. Is your family prepared? In Prepare Your Family for Survival, readers learn the basics of water and food storage. Where to start and what to work toward for serious preparation. As well as 72-hour kits and evacuation plans. Readers also get helpful guides to follow once their family is in an emergency, like how to stay clean with a limited water supply, how to cook with emergency cooking devices, and how to survive in the dark. Linda Loosli is the founder of the prepping blog Food Storage Mums. She is an expert on emergency preparedness, as proven by her blog's growth of followers, media coverage (it's been featured in the New York Times and Preparedness Radio Network), and the classes she teaches on preparedness. What sets her apart from other preparedness authors is that she is a real, everyday mum with kids and grandkids, so she relates to a large market of parents who simply want to keep their families safe. With this book in their possession, readers will sleep soundly at night knowing that their families won't be caught unprepared for the next emergency.
