Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Hella Nation: In Search of the Lost Tribes of America, Evan Wright, "Hella Nation" charts Wright's deeply personal journey, from his stark but sympathetic portrayals of sex workers in Porn Valley to his raw portrait of a Hollywood uber-agent turned war documentarian and hero of America's far right. Along the way he meets runaway teens in Hollywood earning corporate dollars as skateboard pitchmen, radical anarchists plotting the overthrow of capitalism from tree-sits in the Oregon rainforest and young American troops on the hunt for terrorists in the combat zones of the Middle East. His subjects are people for whom The American Dream is either just out of grasp, or something they have chosen to reject altogether. Sometimes frightening, usually profane, and often darkly comic, "Hella Nation" is Wright's meticulously observed tour of the jagged edges of all those other Americas hiding in plain sight.
