Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook i have read during my very own daily life and could be he best eBook for possibly.

(Mitchell Kuhn III)

CATALOGUES, COURSE OF STUDY, REPORTS AND SIMILAR PUBLICATIONS

IV. Sound: a Nature of sound--vibrations b Transmission of sound--solids, liquids and gases. Penmanship. FIRST YEAR. Use the cards and tablets provided for the grade; copy on ruled paper phrases and sentences, taken from the childrens compositions, and written by the teacher on the blackboard. At an early day write the compositions, as entireties, made by the children. Caution. --Do not tire the children with too much writing, which tends to discourage them and make them careless. Tired children can not do their best work. Let the children always be kept to their best efforts. Show the children how to make correct letter and word forms. Let the children see these forms made on the board. Much blackboard work on the part of the teacher is...
