A short history of newnham college chapter I introductory. newnham college in idea In tracing the history of educational institutions and of other foundations existing for the public good, we find it necessary to distinguish those that had and those that had not a definite beginning. Some of our colleges and great schools have--so to speak--sprung, adult and armed, from the brain of their founder--or possibly from the conjoint thoughts and efforts of a few generous and likeminded patrons. Their birthdays are easily determined. Their continuity can be traced both in material persistence and progress and in moral and intellectual development and adaptation to changing conditions. Others--and prominent among them the subject of this sketch--came into being so gradually that their length of days may be variously calculated. To the past students of Newnham College, the beginning seems to be most A naturally...
