

Legal Writing in Plain English: A Text with Exercises (2nd Revised edition)

Filesize: 7.79 MB

Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Jaclyn Johns DDS)

LEGAL WRITING IN PLAIN ENGLISH: A TEXT WITH EXERCISES (2ND REVISED EDITION)

DOWNLOAD

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Legal Writing in Plain English: A Text with Exercises (2nd Revised edition), Bryan A. Garner, Admirably clear, concise, down-to-earth, and powerful - all too often, legal writing embodies none of these qualities. Its reputation for obscurity and needless legalese is widespread. Since 2001 Bryan A. Garner's "Legal Writing in Plain English" has helped address this problem by providing lawyers, judges, paralegals, law students, and legal scholars with sound advice and practical tools for improving their written work. Now the leading guide to clear writing in the field, this indispensable volume encourages legal writers to challenge conventions and offers valuable insights into the writing process that will appeal to other professionals: how to organize ideas, create and refine prose, and improve editing skills. Accessible and witty, "Legal Writing in Plain English" draws on real-life writing samples that Garner has gathered through decades of teaching experience. Trenchant advice covers all types of legal materials, from analytical and persuasive writing to legal drafting, and the book's principles are reinforced by sets of basic, intermediate, and advanced exercises in each section. In this new edition, Garner preserves the successful structure of the original while adjusting the content to make it even more class-room-friendly. He includes case examples from the past decade and addresses the widespread use of legal documents in electronic formats. His book remains the standard guide for producing the jargon-free language that clients demand and courts reward.
