

Treating Alcohol Problems

By Frederick Rotgers

John Wiley & Sons. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 9.1in. x 6.1in. x 0.6in. This handy guide provides a single source of evidence-based methods for assessing and treating alcohol problems. Part of the Wiley Series on Treating Addictions, *Treating Alcohol Problems* offers the latest evidence-based guidance on effectively diagnosing and treating the full spectrum of problems related to drinking. Whether you are an addictions counselor, mental health professional, or physician, you can use this all-in-one guide as a stepping-stone to seek out and develop better treatment options for your clients. Bringing treatment approaches into harmony with scientific findings, *Treating Alcohol Problems* summarizes methods proven to be successful. Written in a clear and accessible style, the text focuses on presenting the information most directly useful for helping clients. This handy guide is ideal for training and continuing education, as a refresher for seasoned professionals, and as a useful primer for all who come into contact with individuals suffering from alcohol abuse. Coverage includes: Conceptual foundations-defining alcohol problems; Identifying alcohol problems; Assessment and treatment planning; Treatment tools, programs, and theories; When and how clients should be discharged to aftercare; Increasing recovery success; Culture, coaching, and change-moving beyond alcohol problems; Finding and getting the best out of professional resources; Supporting...

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.

-- **Tobin Lesch**
