Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This activity book is the first in a series of three activity books designed to teach the basics of Hindi Devanagiri script to English speaking children like Non-Resident Indians. The goal of this activity book is to introduce the Hindi alphabet to the child. The approach used in this book is to provide puzzles, mazes and exercises which are fun to do, and simultaneously familiarize the student with the letters in the alphabet. Sample puzzles included in this book require finding paths in mazes using a specific Hindi letter, finding words starting with an initial Hindi letter, circling letters in an alphabet soup, or finding the letters on specially marked candies. These puzzles introduce the alphabet without requiring onerous exercises or tedious memorization.
