

The Complete Guide to Clinical Aromatherapy and the Essential Oils of the Physical Body: Essential Oils for Beginners (Paperback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Some reviews of this book. Having had a sneak preview of this book I think it will be a valuable reference tool for those who are just getting into the industry and those like myself who trained a long time ago! Liz writes in an easy read style which is almost like you are having a conversation in the room with her. Sue Mousley - Former Chairman of The International Federation of Aromatherapists Less than 300 ebook length pages.? a complete guide ? No.- highly unlikely . well that s what I thought until I read my free preview copy. I qualified as an holistic aromatherapist 14 years ago and have a considerable library of essential oil/ massage/ complementary therapy related books. This is an easy to read, well-informed book that any newbie with an interest in oils will find fascinating - it is engaging in content and style and will ensure that interest is piqued. For someone who has used oils for a number of years, it is a perfect go to single volume that is crammed with easily findable notes on oils AND conditions. Well done Elizabeth Ashley - you have found, and filled, a gap in a market which is increasingly crammed with poorly written, poorly researched books that are aimed at mass appeal rather than enlightening readers about aromatherapy s true potential for healing!!! Clare Ella- Professional Aromatherapist Let me ask you. What s the most important thing you are looking for from your book about aromatherapy and essential oils? Clear advice from an expert in their field? An easy to navigate guide? Comprehensive data of many oils and how to...
