How to Get Your Kid to Like Math (Paperback)

By Ken Ring

Ken Ring Ltd, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.You can t force your child to like math. I don t really know if we have a right to get them to like anything. There is only one reasonably sure way they may become interested in this subject - and that is if you are interested in it. There are, to the disgust of the rest, some parents and kids who already love math. It is a fact of life though, that people of all ages and in great numbers hate the very thought of it, think there s something crook about it, lie awake at night and sweat over it, and can t understand how some get it and others don t. Perhaps you were one of those kids. You might remember coming home from school and all that nagging about doing your homework. As if that was going to improve the situation. You probably said Why do I have to do this? and they said Because it s good for you, These are your best years, Get a good education and you ll...
