Pillars of Cloud and Fire: The Politics of Exodus in African American Biblical Interpretation

By Herbert Robinson Marbury

New York University Press. Paperback / softback. Book Condition: new. BRAND NEW, Pillars of Cloud and Fire: The Politics of Exodus in African American Biblical Interpretation, Herbert Robinson Marbury, At the birth of the United States, African Americans were excluded from the newly-formed Republic and its churches, which saw them as savage rather than citizen and as heathen rather than Christian. Denied civil access to the basic rights granted to others, African Americans have developed their own sacred traditions and their own civil discourses. As part of this effort, African American intellectuals offered interpretations of the Bible which were radically different and often fundamentally oppositional to those of many of their white counterparts. By imagining a freedom unconstrained, their work charted a broader and, perhaps, a more genuinely American identity. In Pillars of Cloud and Fire, Herbert Robinson Marbury offers a comprehensive survey of African American biblical interpretation. Each chapter in this compelling volume moves chronologically, from the antebellum period and the Civil War through to the Harlem Renaissance, the civil rights movement, the black power movement, and the Obama era, to offer a historical context for the interpretative activity of that time and to analyze its effect in transforming black...
