Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 322 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. An eccentric romp of a book, Learning As I Go takes shots at our messy culture, picks a lovers quarrel with the Catholic Church, throws unabashed educational advice at young people, and pays homage to books and writers. Along the way, Jeff Minick looks at burka babes and crazy ladies, finds beauty in small places, shops with Flannery OConnor at WalMart, shakes hands with adult adolescents, and examines honor and duty in a world which seems bereft of both. All of Joe Ecclesias Letters to the Bishop, originally published in Chronicles Magazine, are included here. In addition, there are twenty-nine other essays, nearly all of which have appeared in Chronicles, the Smoky Mountain News, vocabula. com, and other magazines. Minick is also the author of the novel Amanda Bell. Of this story of loss and redemption, one online reviewer wrote: Victimized by a series of unfortunate events, Amanda Bell--a beautiful, twenty-seven-year-old woman--seeks to recede further and further into herself. . . Meeting an unlikely figure in modern literature, however, Amanda slowly lets down her walls and eventually lets herself slip into love. Amanda Bell may remind us all that love comes in many forms. This item ships from La Vergne, TN. Paperback.
