## DEUTERONOMY (PAPERBACK)

Westminster/John Knox Press,U.S., United States, 1999. Paperback. Book Condition: New. 227 x 151 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Deuteronomy, Thomas Mann notes, is more than a relic of ancient history. It is a living document that deals with issues that have relevance for the modern-day reader, including justice and the vision of the Great Society, individual responsibility versus the importance of community, and the nature of loyalty to God and to the world. By examining these and other issues, readers will draw striking parallels between the world of Israel several millennia ago and today. This absorbing and readable book will stimulate discussion about the Deuteronomistic prescriptions for a healthy society and their applicability to contemporary life and society. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.
