Excerpt: . . . him by special and intelligent methods of culture and mental development, for the duties of the government of the great kingdom that was reserved for him. 1 Nor was the education of the noble youth of Castile disregarded by their ever watchful queen. The reduction of their fathers to loyal obedience, united under an admired but masterful sovereign, had been one of the greatest glories of the early years of her reign; and the encouragement of the young aristocracy of Castile in something better than their old occupation of fighting among themselves, and combining against their sovereign, became, after the Conquest of Granada, one of the most legitimate objects of the queens solicitude. Peter Martyr, whose letters throw so much light upon the contemporary history of the country, was induced by the queen to return from Italy to Spain, and to assume the direction...
