Brand New Book ***** Print on Demand *****.This thirty-poem collection is an eclectic mix of light and dark, playful and spiritual, lyric and narrative free verse. In an intricate dance of sound play, it explores how our perceptions shape our interactions with the world. Here child heroes emerge on playgrounds and in chicken coops, teens grapple with grief and taste first love, adults waver between isolation and engaged connection. It is a book about creative life, our capacity to wound and heal, and the unlikely places we find love, beauty, and grace.
