Drawing lessons from life within a closely-knit family and strong faith in God, this inspirational reading walks readers through practical principles of abounding in abundance, the place of more than enough. As the proud daughter of a Honduran who migrated to the United States of America with a six standard education and became a powerful Pentecostal preacher and entrepreneur, I am convinced that salvation, service, and education are keys to Graceful living, said Dr. McCoy. God has given me a ministry of education to fulfill my calling to the Great Commission and my prayerful determination is to remain faithful to that calling by embracing the promises of God s Grace to Abound in Every Good Work, she added.
