Obama is a non-fiction book explaining a practical, Biblical, Christian theology concerning the spiritual gift of discerning of spirits, which is generally described in the Bible as the supernatural ability God gives to some people to see otherwise invisible non-human spirits including the Holy Spirit of God, angels, and demons. By understanding the Biblical and Ignatian teaching about how to discern the agenda and activity of angels, demons, and the Holy Spirit as they interact with our human morality, we can begin to examine specific moral decisions made by individual human actors, to discern whether those humans consented to allow manifestations of the Holy Spirit..
