

An Introduction to English Runes (New edition)

Filesize: 5.62 MB

Reviews

The publication is fantastic and great. It can be rally exciting through reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.

(Prof. Alvis Wuckert)

AN INTRODUCTION TO ENGLISH RUNES (NEW EDITION)

DOWNLOAD

Boydell & Brewer Ltd. Paperback. Book Condition: new. BRAND NEW, An Introduction to English Runes (New edition), R. I. Page, Runes are quite frequently mentioned in modern writings, usually imprecisely as a source of mystic knowledge, power or insight. This book sets the record straight. It shows runes working as a practical script for a variety of purposes in early English times, among both indigenous Anglo-Saxons and incoming Vikings. In a scholarly yet readable way it examines the introduction of the runic alphabet (the futhorc) to England in the fifth and sixth centuries, the forms and values of its letters, and the ways in which it developed, up until its decline at the end of the Anglo-Saxon period. It discusses how runes were used for informal and day-to-day purposes, on formal monuments, as decorative letters in prestigious manuscripts, for owners' or makers' names on everyday objects, perhaps even in private letters. For the first time, the book presents, together with earlier finds, the many runic objects discovered over the last twenty years, with a range of inscriptions on bone, metal and stone, even including tourists' scratched signatures found on the pilgrimage routes through Italy. It gives an idea of the immense range of information on language and social history contained in these unique documents. R.I. Page is former Professor of Anglo-Saxon in the University of Cambridge.
