St. Michaels, Maryland, is a town of shipbuilders whose reputation for crafting powerful schooners carries far beyond the shores of young America. And once the War of 1812 starts, that s not necessarily a good thing. For the British have targeted the town as part of their campaign to defeat America in its fight to maintain its independence. And now, in August of 1813 the British fleet is sailing up the Chesapeake River to St. Michaels. The town s militia is assembled but no one expects they can win the fight against the powerful British cannons. Citizens are being evacuated and the town is in turmoil. All young Henry Middle wants to do is find his father amid the chaos of the coming attack. The lanterns he carries will be of use to the militia. As Henry works to conquer his rising fear, he realizes he may hold the answer to outsmarting the British in his very hands.
