*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.Excerpt from A Connection of Sacred and Profane History, Vol. 1 The object of these volumes is to complete the learned works of Shuckford and Prideaux, which have been long held in high estimation by the public. The labours of the Dean of Norwich were indeed directed to a purpose somewhat different from that of his immediate successor in the same field of research. He undertook to fill up, with materials derived from the pages of Profane authors, the interval between the conclusion of the annals which are contained in the canonical Jewish Scriptures, and the inspired narrative as it is resumed in the Christian Writings about five centuries afterwards: and this task he performed with so much success, that few books have enjoyed a more extensive and enduring popularity than the Old and New Testament connected, in the History of the Jews and neighbouring Nations, from the Declension of the Kingdoms of Israel and Judah to the Time of Christ.
