# Charting the Passage Into the Universe by Proving Inertial Propulsion Physics: Expanding the Human Horizon with Inertial Propulsion

By Mr. Gottfried J. Gutsche

CreateSpace Independent Publishing Platform. Paperback.

Book Condition: New. This item is printed on demand.

Paperback. 126 pages. Dimensions: 11.0in. x 8.5in. x 0.3in. The present book explores the fascinating historical timeline and intriguing circumstance of discoveries providing us with the modern Mathematical Physics tools to proof positive Inertial Propulsion. The book describes, in fine detail, how science has evolved from geometric construct into the successful complex engineering analytical techniques used today. From practical examples, the study proceeds to the identification of the fulfillment path toward inertial propulsions full potential. Then, the analysis concludes with a practical, obvious, formal mathematical and physical proof using partly Newtons own anno 1713 math derivation method of the pendulum combined with his own vector analysis. This Proof is verified with two pendulum tests reality checks. The quantifiable video Pendulum Tests are available from [www.mindbites.com/series1278](http://www.mindbites.com/series1278) The 30 gram thrust magnitude proof positive mechanical pendulum tests measurement videos are the only pendulum test videos of a small 2kg working inertial propulsion device available on the internet today. The main intention of this publication is to describe, in a casually digestible, practical realistic verifiable format, the formulas, methods and proofs used to engineer the inertial propulsion device....

## Reviews

*The most effective ebook i at any time study. It can be writter in easy words and phrases and not difficult to understand. I am just pleased to let you know that this is the finest publication i have read within my individual lifestyle and could be he finest publication for at any time.*

-- **Tania Mosciski**

*Simply no phrases to describe. It is amongst the most awesome pdf we have read through. Your life period will probably be transform as soon as you complete looking over this publication.*
