Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I m Curious Matt and I m back, you see - Packed full of curiosity! I ask questions that you ask, too; My book offers answers for both me and you. Let s get to know our bodily parts, Our heads and our faces, our livers and hearts. Our body is just like a secret or riddle, With organs inside hidden deep in the middle. Our bones and our muscles, our stomach and brain, How do they work and who can explain? Curious Matt Explores the Human Body is the second book of a book series about Curious Matt, an inquisitive child, who asks questions about the world surrounding him. The questions Matt presents resonate with young children, who often have those queries themselves. This light verse, accompanied by delightful drawings will allure your child into a world of curiosity and joy from knowledge. Curious Matt Explores the Human Body contains questions that are asked by children, about different parts within our bodies. In this book you will find ways to...
