Although I have homeschooled for several years now, I found Plan to Be Flexible to be full of practical advice gleaned from real-life experiences. It really is a study guide for learning to plan and organize your school days! -Brandy Ferrell of Alicia wrote about things I had not even thought of before. When I first started reading the book, I felt like Alicia was in my living room talking to me as a friend. This book is a very easy read and has so much information. I especially liked the action plans at the end of each chapter. Plan to Be Flexible has given me so many new ideas and tips to try out. -Rebecca of Our Life-Home and School blog This book was invaluable for a beginning homeschooler like me. What an incredible resource for planning our future as a homeschool family! -Heidi, homeschool mom of three In the first pages alone, Plan to Be Flexible spoke so clearly and loudly to my heart. My son and I do school right now with clenched...
