Excerpt: .drugget, partly worn, covered the dark, polished floor beneath the large, study table. The table itself seemed littered with the identical papers and small note-books that had lain there in orderly confusion when Paul had last left the room. The few simple ornaments on the high, plain mantel-shelf were unchanged, except that a vase of roses had strayed out of the abundance of the garden to tell of the season s change. The flowers in summer, and the fire in winter, were the only variations that had visited this sanctum since Paul was a little child, and his mother, with her sweet face and floating draperies--almost a child herself--had brought her little one there to put a touch of beauty in the room her husband lived in. But no one ever came there now, except at the pastor s call; his sister flitted in and...
