

Phenomenal Amble Magnetism (Paperback)

By Desmond M Preston

Acumen Art, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Phenomenal Amble Magnetism is the first book of poems by writer, poet, and film maker Desmond Preston. In it, he explores the magnetism between those of us that stand out, and those of us that blend in. He amplifies this contrast by challenging the conventions of not only poetry, but the poets themselves. Desmond believes that the only box that people fit in is the one they place themselves into; he attempts to set a foundation for this belief by being the example. Within this collection, you will find an assortment of styles, techniques, and poems of varying subject matter: all given an equal amount of attention to detail, and all written with the intent of examining and furthering the understanding of the magnetism between the phenomenal and the amble.
