Dimensions: 9.7in. x 7.4in. x 0.8in. The 18th century was a wealth

of knowledge, exploration and rapidly growing technology and

expanding record-keeping made possible by advances in the

printing press. In its determination to preserve the century of

revolution, Gale initiated a revolution of its own: digitization of

epic proportions to preserve these invaluable works in the

largest archive of its kind. Now for the first time these high-

quality digital copies of original 18th century manuscripts are

available in print, making them highly accessible to libraries,

undergraduate students, and independent scholars. Western

literary study flows out of eighteenth-century works by

Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney,

Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von

Goethe, and others. Experience the birth of the modern novel,

or compare the development of language using dictionaries

and grammar discourses. The below data was compiled from
